## **Our Invitation to The 1962 Iowa Royal**

We most cordially invite everyone interested in good livestock to attend the IOWA ROYAL of 1962.

THE IOWA ROYAL SALE, recognized as the very top State Short-horn sale in the Nation, is sponsored by the IOWA SHORTHORN BREEDERS' ASSOCIATION which also has always been recognized as one of the most progressive state associations in the NATION.

The 40 herd bull prospect and the 14 outstanding females in the Iowa Royal Sale are up to and probably better than the usual high standard of Iowa Royal Sales. They are the kind that warrant the usual high average that repeat satisfied buyers have been waiting to pay for them. There are many top show winners included and the bloodlines and ancestry are of the very best.

Confirm this by studying the catalog, note the consignors, the pedigrees, the footnotes and the outstanding records.

Breeders, ranchers and farmers from coast to coast and from the Canadian border to the Gulf of Mexico in great numbers have come to the IOWA ROYAL for seed stock in the past. THEREFORE, this year, make it a point to join them and see one of the truly top STATE SHORTHORN sales in the NATION. Definitely, the IOWA ROYAL offers as much or more in the way of real quality and honest-to-goodness real producing Shorthorns than any other very top Shorthorn sale in the NATION.

**PLAN TO ATTEND.** We would like to show you our hospitality and give you every possible service we can.

**BONDSMAN 13TH**—This outstanding summer yearling is the first son of the \$5200 International second prize winner Louada Bondsman by the \$50,000 Bapton Constructor that we have offered for sale. He looks the part of a great stock bull and is nearly a perfect image of his famous grandsire. He has a great head, is smooth, well balanced, correct in his lines with a great set of legs set out on each corner. We have regarded this bull too highly to attempt to overfit him so have tried to maintain him in ideal breeding condition. He is well muscled and will sire the top grade and yield kind of cattle. In addition to his outstanding individuality his pedigree should insure this bull as a great future sire.

MARBERDOR PREFIX 25TH—Was our summer yearling in our 1961 show herd. He was first in class at the Mississippi Valley Fair, Davenport, and also at the All-Iowa Fair at Cedar Rapids, Ia. Also in winning group of three bulls at both fairs. He is a real herd bull prospect that is good headed, very low set, extremely thick with plenty of scale. He will make a top sire in some good herd.

**OF**

## **AMERICAN SHORTHORN BREEDERS'**

### **ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam as well as service dates.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
